THE PRESIDENT

February 28, 1978

Professor Joshua Lederberg  
Chairman  
Department of Genetics  
School of Medicine  
Stanford University  
Stanford, California 94305

Dear Josh:

The faculty Review Committee which reviewed the case of Dr. Walter Gilbert has emerged with this letter which reflects what might be termed the peak favorable sentiment on campus. It is not yet clear that we would be able to provide the logistic support.

Sincerely,

Frederick Seitz
